"Consecrate yourselves, for tomorrow the Lord will do amazing things among you." Joshua 3:5

October 1, 2021

Dear Pilgrim Family,

The church as a physical body is a House of Worship, a place of fellowship, a place of study, comfort and refuge. As such, it needs the usual amenities of any building.

The church as a spiritual body is a nurturing place, an Inspiration to the congregation, a supporter of charitable works, a teacher to those searching for Eternal Truths. It ministers to the community, reaching out to those in need, and spreads the Good News of Jesus Christ far and wide. This requires people sharing their talents of teaching, hospitality, encouragement, cooking, sewing, carpentry, leading, praying, singing, serving, gardening, writing, and sharing scripture.

The Trustees are tasked with preparing a budget that reflects your priorities and your pledges. We ask that you pray and reflect upon the treasure which you wish to share with God. We are asking you to pledge to support the work of Pilgrim Congregational Church.

We had to cancel our Consecration Sunday meal in 2020 and are so excited to come together to celebrate the abundance that we are committing to God's work. Please make your reservation.

We hope that you will pause and reflect on the good that you know the church can do, and the assistance you are able to offer. Winston Churchill put it like this: *"We make a living by what we get; we make a life by what we give."*

Sincerely,
Board of Trustees
